

OUR FAMILY CAN'T WAIT TO MEET YOURS.

LYNNA GRIPENTROG, DMD

Dr. Lynna Gripentrog is a board certified pediatric dentist with over a decade of experience in specialty care. She views each pediatric patient as an individual and strives to meet their unique needs to foster confidence and create a solid oral health foundation. She is an attending in the department of dentistry at Ann & Robert H Lurie Children's Hospital of Chicago, and the dental clinical director at the Ann & Robert H Lurie Children's outpatient center in Northbrook, IL.

Dr. Lynna's specialized training included Behavior management using non-pharmacological and pharmacological techniques (to manage even the most apprehensive patients), comprehensive dental care using general anesthesia and comprehensive care for medically compromised and special needs patients.

If you think your child may require or benefit from general anesthesia for treatment, please discuss with our team.
